

Dear Home Sharing Supporter:

After much patience and anticipation, we are excited to invite you to our 4th annual Trade Fair! The event is Wednesday, May 17, 2023 from 6 pm to 9 pm at the beautiful Russian Center, 2450 Sutter St, San Francisco.

The purpose of this Trade Fair is to showcase:

- businesses which provide products and services to help home sharing hosts be better hosts,
- businesses that enhance the experience of guests who visit our wonderful City.

Our first three trade fairs were resounding successes with over 200 attendees and over 30 exhibitors, including software, listing websites, furniture and amenities providers, local tours and activities, and more.

The Home Sharers Democratic Club is an official chartered club of the SF DCCC. We work with the San Francisco community to influence policy on issues relating to home sharing, short-term rentals and the sharing economy. We also serve as an independent organization for hosts to come together, communicate, and share best practices of being a host. HSDC and this trade fair is organized 100% by volunteers.

Our intention is to provide a relaxed and fun environment to introduce your business to a target audience of active and engaged hosts in the Bay Area. The Exhibitor fee schedule is as follows:

- **Platinum Sponsor** (\$1,000) - 2'x8' table (double space of normal table), full page ad in program, premium table location, special mention in event promotions, where appropriate
- **Gold Sponsor** (\$500) - 2'x4' table, half-page ad in program, priority table location, special mention in event promotions, where appropriate
- **Exhibitor** (\$150) - 2'x4' table, quarter-page ad in program, listed in event promotions, where appropriate (random selection of table location...layout designed so every space is great!)

In addition to the live vendor fair, we will be publishing an SFDC Home Sharers program. Vendors will receive advertising space in the guide, indicated above. This guide will be distributed to attendees at the fair, published online after the fair, and distributed via our website. [Here is an older program](#) for your reference.
